

## **SYNERGY FLAVORS RECEIVES GREAT PLACES TO WORK CERTIFICATION**

Synergy Flavors knew it already, but now the world agrees! Synergy Flavors is officially certified as a **Great Place to Work®**, which recognizes businesses that are continually fostering a great workplace and environment for their employees.

This certification is based in part on Synergy's employee-centric perks, special programs and comprehensive benefits, such as compensation, work-life balance, family care, health Insurance and workforce diversity, to name a few.

Synergy Flavors cares the most about its employees, and fosters a cohesive, team-oriented environment, which is why team members seem to think pretty highly of the company. Here is what they said:

- **83 percent** consider Synergy Flavors a great place to work.
- **90 percent** think management is honest and ethical in its business practices.
- **96 percent** said the work atmosphere is great.
- **92 percent** believe Synergy is a place that fosters great communication.

Synergy Flavors is proud to have wonderful employees, who are the key stakeholders in the growing company. Here's to the future!
